Time for open comment on any subject **not** scheduled for public hearing is provided for at each regular business meeting of the council. Up to forty-five minutes is provided at the beginning of the meeting. During open comment, an individual speaker can speak for up to two minutes.

Sign up for speakers will be available via the internet, beginning at 8:00 a.m. the Friday prior to the meeting. Online sign up shall end at 2:00 p.m. on the day preceding a meeting, even if the day preceding a meeting is a holiday. No later than 5:00 p.m. on the day prior to the meeting or noon on the day of the meeting, if the day prior to the meeting is a city holiday, the city clerk shall post on the internet a list of no more than twenty individuals who will be invited to speak at the meeting.

With the June 20, 2024 update to the “Council Procedures” in affect, please be advised that with more than 20 people signing up to speak, ***the Clerk’s Office first identified and prioritized community members who DID NOT speak during open comment at the previous regular meeting.*** After the randomization process was completed, those individuals filled the 20 available speaking slots.

If there were open slots remaining, speakers who have been identified as having spoken at the prior meeting would be randomly chosen to fill any remaining slots
