

# CONSTRUCTION WORKSITE SAFETY

ACCORDING TO COVID.COLORADO.GOV

CRITICAL FUNCTIONS INCLUDING CONSTRUCTION WORK MUST COMPLY WITH SOCIAL DISTANCING REQUIREMENTS. THE FOLLOWING PRACTICES ARE IMPORTANT FOR APPLYING SOCIAL DISTANCING TO A CONSTRUCTION WORKSITE SETTING.

**MAINTAIN 6 FEET OF DISTANCE** wherever possible.

**AVOID GROUP CONGREGATION** during breaks.

**CLEAN COMMONLY TOUCHED SURFACES** before and after operation.

**WEAR STANDARD WORKSITE PERSONAL PROTECTIVE EQUIPMENT (PPE)**

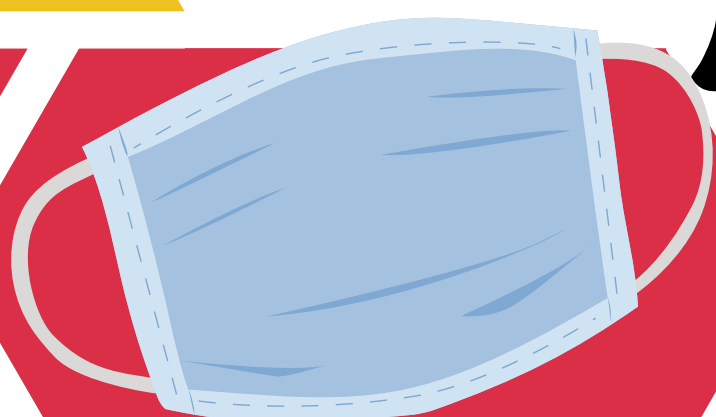

PPE may not be shared between members of a work team.

**FEEL SICK? STAY HOME!**

If you experience illness symptoms such as: fever, cough, shortness of breath, sore throat, runny/stuffy nose, body aches, nausea, chills, or fatigue, **notify your foreman or supervisor immediately!**

**! WEAR A MASK!**

**Boulder Business Response and Recovery Alliance**
