

# CHAPTER 11

## TECHNICAL DRAWINGS

---

### TABLE OF CONTENTS

<u>Drawing Title</u>	<u>Drawing Number/Page</u>
GENERAL DRAWINGS	
Drafting Standards .....	1.01
TRANSPORTATION DRAWINGS	
Curb and Gutter .....	2.01.A
Curb and Gutter Joints .....	2.01.B
Concrete Walk and Multi-Use Paths.....	2.02.A
Integral Curbwalk .....	2.02.B
Concrete Walk and Multi-Use Path Joints.....	2.02.C
Multi-Use Path Section Detail .....	2.02.D
Crossspan and Radii Curb Return Accesses.....	2.03
Flagstone Walk.....	2.05
Typical Alley Paving Section .....	2.06
Attached Sidewalk Curb Ramp Options .....	2.07
Survey Monument Range Box.....	2.11
Intersection Pin Range Box .....	2.12
Valve Box Adjustment.....	2.13
Driveway Ramp, Detached Walk.....	2.21
Driveway Ramp, Curbwalk – CDOT Type 1.....	2.22.A
Driveway Ramp, Curbwalk – CDOT Type 2.....	2.22.B
Chase Drain, Curbwalk.....	2.31
Chase Drain, Detached Sidewalk.....	2.32
Median, Paved Cover .....	2.41
Median, Paved Curb Skirt.....	2.42 A
Median, Brick Curb Skirt.....	2.42 B
Bicycle Path Cross-Section.....	2.51
Inverted “U” Bicycle Racks.....	2.52.A
Inverted “U” Bicycle Racks.....	2.52.B
Inverted “U” Bicycle Racks on Rails.....	2.53
Accessible Parking Stall .....	2.54
Non-Residential Street Cross-Section Examples .....	2.61 A
Non-Residential Street Cross-Section Examples .....	2.61 B
Non-Residential Street Cross-Section Examples .....	2.61 C
Residential Collector Cross-Section .....	2.63
Residential Street Cross-Section.....	2.64
Rural Residential Street Cross-Section .....	2.65
Residential Access Street Cross-Section.....	2.66

Residential Access Lane Cross-Section .....	2.67
Residential Alley Cross-Section .....	2.68
Portland Cement Concrete Pavement .....	2.71 A
Portland Cement Concrete Pavement .....	2.71 B
Portland Cement Concrete Pavement .....	2.71 C
Portland Cement Concrete Pavement .....	2.71 D
Straight Retaining Wall Expansion Joint .....	2.72
Sign Installation Details .....	2.81
Accessible Parking Sign Details .....	2.86
Street Name Sign Mounting Details .....	2.87

#### STREETSCAPE DRAWINGS

Streetscape Tree Spacing and Location .....	3.01
Trees and Shrubs Planting Detail.....	3.02
Tree Grate for Sidewalk Planting .....	3.03
Grade Change Around Existing Trees .....	3.04
Sample Landscape Protection Plan.....	3.11
Protected Root Zone and Drip Line.....	3.12
Root Loss from Tunnelling.....	3.13
Irrigation Pressure Vacuum Breaker.....	3.21
Irrigation Reduced Pressure Backflow Assembly.....	3.22
Irrigation Pressure Reducing Valve.....	3.23
Irrigation Gate Valve .....	3.24
Irrigation Drain Valve.....	3.25
Irrigation Quick Coupling Valve .....	3.26
Irrigation Control Valve .....	3.27
Irrigation Valve Assembly Spray.....	3.28
Irrigation Drip Valve .....	3.29
Irrigation Quick Coupler.....	3.31
Irrigation Spray Head .....	3.32
Irrigation Pop-Up Shrub Spray Head.....	3.33
Irrigation Bubbler Detail.....	3.34
Irrigation Fixed Head and Riser.....	3.35
Irrigation Rotary Head.....	3.36
Irrigation Drip Details.....	3.37
Irrigation Typical Trickle Fittings.....	3.38
Irrigation Trenching and Pipe Installation .....	3.39
Irrigation System Thrust Blocks .....	3.40
Irrigation System Controller .....	3.41
Irrigation System Wire Connection .....	3.42

#### UTILITIES DRAWINGS

Utility Trenches, 16" Wide or Less .....	4.01
Utility Trenches, Wider than 16" .....	4.02
Pipe Bedding .....	4.03
Restoration of Asphalt Street Excavations, Streets Less Than 3 Years Old .....	4.04
Telecommunications Conduit and Cable Encroachments in Public Right-of-way.....	4.05
Concrete Encasement.....	4.06
Stream Crossing.....	4.07
Groundwater Barrier.....	4.08
Pipe Casing With Casing Spacers.....	4.09 A

Pipe Casing With Wood Skids.....	4.09 B
Water Line Lowering, Utility Line Crossing Only.....	5.01 A
Water Line Lowering, Culvert Crossing Only .....	5.01 B
Water Line Lowering, Drainageway Crossing Only .....	5.01 C
Sewer Crossing .....	5.02
Tie Rod Specifications.....	5.03
Tie Rod and Washer Details .....	5.04
Tie Rod Coupling .....	5.05
Flange Lug Detail .....	5.06
Clamp Details for Use with Ductile Iron Pipe Only .....	5.07
Table of Dimensions for Clamps .....	5.07 A
Combination Flanged Harness Lug Details .....	5.08
Mechanical Joint Restraint Details .....	5.09
Buried Ductile Iron Pipe Joint Restraint for 12" and Smaller Pipe.....	5.10
Valve Box .....	5.11
Fire Hydrant Placement .....	5.12
Fire Hydrant Installation, Types 1, 2, and 3.....	5.13
Horizontal Thrust Block .....	5.14
Vertical Thrust Block .....	5.15
Standard 3/4"- 1" Service .....	5.16 A
Standard Meter Pit, 3/4" - 1" Services .....	5.16 B
Standard 1 1/2" - 2" Service .....	5.17 A
Standard Meter Setting, 1 1/2" - 2" Services .....	5.17 B
Standard 1 1/2" - 2" Meter Setting.....	5.17 C
Standard 1 1/2" - 2" Irrigation Service .....	5.17 D
Standard 3" and 4" Service .....	5.18 A
Standard Meter Pit, 3"and 4" Services.....	5.18 B
Standard 3" and 4" Meter Setting .....	5.18 C
Meter Pit Depth Adjustment, 3" and 4" Service.....	5.18 D
Combination 3/4" Domestic/Fire Sprinkler Meter Setting.....	5.19
Combination 1" Domestic/Fire Sprinkler Meter Setting.....	5.20
Valve Box, 1 1/2" - 2" Fire Sprinkler Line .....	5.21
Standard Combination Air Valve Manhole.....	5.22
Standard Sewer Manhole .....	6.01
Standard Drop Sewer Manhole.....	6.02
Manhole Invert .....	6.03
Standard Manhole, Bolt-Down, Water-Tight, Frame and Cover .....	6.04
Extruded Aluminum Manhole Step .....	6.05 A
Polypropylene Reinforced Plastic Manhole Step.....	6.05 B
Sewer Service Line .....	6.06
Storm Sewer Manhole .....	7.01
Storm Sewer Manhole Base.....	7.02
Flat Top for Shallow Manholes Less Than 6' in Height.....	7.03
Single No. 16 Open Throat Inlet, Adjustable Curb Box.....	7.04 A
Single No. 16 Open Throat Inlet, Adjustable Curb Box.....	7.04 B
Double No. 16 Open Throat Inlet, Adjustable Curb Box .....	7.05 A
Double No. 16 Open Throat Inlet, Adjustable Curb Box .....	7.05 B
Triple No. 16 Open Throat Inlet, Adjustable Curb Box .....	7.06 A
Triple No. 16 Open Throat Inlet, Adjustable Curb Box .....	7.06 B
No. 16 Grate and Frame, Adjustable Curb Box.....	7.07
Type "R" Curb Inlet.....	7.08 A
Type "R" Curb Inlet.....	7.08 B

Type "R" Curb Inlet.....	7.08 C
Type "R" Curb Inlet.....	7.08 D

EROSION AND SEDIMENT CONTROL

Gravel Curb Inlet Filter .....	7.20
Gravel Drop Inlet Filter .....	7.21
Block and Gravel Drop Inlet Filter .....	7.22
Straw Bale Sediment Control at Catch Basins .....	7.23
Straw Bale Check Dams .....	7.24
Straw Bale Installation.....	7.25
Prefabricated Silt Fence Installation .....	7.26
Orientation of Netting and Matting.....	7.27
Installation of Netting and Matting .....	7.28
Sediment Trap.....	7.29
Temporary Gravel Construction Entrance .....	7.30
